WHAT TO WEAR

Cotton shirts, skirts and khaki shorts or pants, sandals and open=shoes. Additionally, one can pack sun hats, sun cream, sun glasses, insect repellent and swim wear.

ELECTRIC SUPPLY

It's 220/240 v 50hz.
Plugs are 3 point square.
Those coming from North America with IIOv/60hz appliances should be sure to use an appropriate transformer.

The national electricity grid services Voyager Beach, with reliable back-up from generators, hence power is on 24 hours.

HEALTH

Vaccines commended for travellers to Africa include those against - check with travel agent at time of travel:

- Tetanus
- Diphtheria
- Polio
- Typhoid
- Hepatitis A
- Hepatitis B
- Yellow fever*
- Rabies
- Meningitis

Certificates are required for entry into, or travel between, some

African countries.

Several of these vaccines require more than one dose, or take time to become effective. Seek advice on immunisation well in advance, best 6 weeks before departure.

In Kenya, excellent medical facilities are available in Nairobi but at a fee. There is NO free health care provided. Our hotels have a camp doctor and nurse on duty but in case of specialized treatment, evacuation has to be arranged.

Malaria

This is a disease spread by the female anopheles mosquitoes that bite mainly at dusk and at night. It is advisable that every traveler to Africa consult with their doctor before arriving. We provide mosquito nets for night protection, as well as repellants for use during the day.

LIABILITY AND INSURANCE

Please check the validity of your insurance against personal injuries and any loss. Heritage Hotels will not accept liability against injury or loss.
